

Spring Break Sewing Camps 2017

Pocatello Sewing School

Monday, March 20, 9 AM to noon: Mermaid Sleeping Bag for American Girl-Style Doll		
	Make a mermaid-shaped sleeping bag for your favorite doll. Learn special techniques used when sewing fleece. We provide everything for this project. No experience needed.	\$55
Tuesday, March 21, 9 AM to noon: Your very own you-sized Mermaid snuggle sack		
	Make a large, you-sized Mermaid snuggle sack. Learn special techniques used when sewing fleece. You provide the fleece fabric of your choice. No experience needed.	\$50
Wednesday, March 22, 9 AM to noon: Harry Potter Pillow		
	Our very own student KC is designing a unique Harry Potter pillow (not the one pictured) that we will make using the applique technique. Pillows will be 12 inch square, filled with a commercial pillow form. We provide all materials. No experience needed, but students who already sew will learn to insert a zipper.	\$60
Thursday, March 23, 9 AM to noon: Articulated Animals		
	Create a unique fabric animal with moveable parts! Using buttons as joints, make manes, legs, tails, and heads moveable. We provide all materials, no experience needed.	\$55
Friday, March 24, 9 AM to noon:		
	Make a cuddly plush bunny just in time for Easter! Applique face and tail, stuff with soft polyfill. Machine wash-and-dry so it's a great gift for a younger sibling or cousin, or keep it for your own snuggly friend. We provide all materials, no experience necessary.	\$55

- Boys and girls ages 7-15 welcome, no experience is needed
- 10% discount for siblings and friends who register together
- We provide a healthy snack mid-way through each camp
- We accept cash, checks, credit and debit cards – okay to pay over Internet or phone
- Preregistration required – max 4 in each camp, space is limited
- Afternoon camps will be scheduled if needed
